

# BEE'S

Bees must be on a minimum of five (5) acres or a maximum of twenty (20) acres, including homesite.

The property needs to have been previously in an agricultural process or the taxpayer needs to be able to show a five year history of Bee's or ag use.

## Degree of Intensity:

5 acres – 10 acres	At least five (5) active hives
10.01 acres – 15 acres	At least seven (7) active hives
15.01 acres – 20 acres	At least eight (8) active hives

The hives must be located on property at least seven (7) months of the year, January 1 thru December 31.

Hives must be active.

Production Value used for Bee's will be the same as Dry Cropland #1.
